

**AGENDA**  
**CWA BOARD OF DIRECTORS MEETING**  
**JANUARY 24, 2018**  
**CABELA'S MEETING ROOM 6:00-8:00 P.M.**

**Banquet:** Need to discuss who does what, status of raffle items, logistics etc.

**Newsletter:** We should get a Newsletter out by February. Maybe summarize how things went this season. I will get an update on wetland projects and other info. Folks are encouraged to submit photos and articles.

**Website:** Joe Alix will attend and we can discuss Website issues, needs, future content, etc.

**How do we get Members more involved:** We get zero input from the Membership at large Should we so a survey to determine what they would like to see from CWA? Provide incentives for members to contribute content to the Website and Newsletter?

**Reneson Raffle:** Ticket sales are slow. You folks that do Twitter and other social media need to start promoting this!

**CWA Properties:** Update.

**Scholarship Fund:** Update.

**Membership:** Update. I know Joe and Chris have made some progress on how we track and handle Memberships.

**Treasurer's Report:** Chris will bring bank statement.

**Future Events:** I can update the group on Wood Duck Box building Day and Training Day. Rick Boucher can update us on the Sporting Clays shoot.

**July elections:** We should discuss this. We have a couple of guys that are interested in becoming Board members and would be great assets to CWA.

**Mentor Program:** I have gotten one guy out goose hunting and Pete took the same guy duck hunting. Min got a youth out goose hunting. I'm not aware of anything else? Also, I propose that all Mentors that have participated in the Program since its inception be recognized at the Banquet.

**Other stuff:** Old business, new business.
